

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. # JOINT RULES OF THE SENATE AND HOUSE OF REPRESENTATIVES

---

REGULAR SESSION OF 1905.

---

## Committee of Conference and Free Conference.

RULE 1. In every case of an amendment of a bill, or joint or concurrent resolution, agreed to in one house, dissented from in the other, and not receded from by the one making the same, such house shall appoint a committee to confer with a like committee to be appointed by the other, and the committee so appointed shall meet at a convenient hour, to be agreed upon by their respective chairmen, and shall confer upon the differences between the two houses as indicated by the amendment made in one and rejected in the other, and report as early as convenient the result of their conference to their respective houses. If after such a report the two houses shall disagree upon the recommendations of the reporting committees as to their differences between the two houses, a committee of free conference shall be appointed to whom the whole subject matter embraced in the bill or resolution shall be committed, and the committee of free conference may report by new bill or resolution, or otherwise, and bills or resolutions so reported shall be treated as amendments, unless such bills or resolutions are comprised entirely of original matter, in which case they shall receive the treatment required in the respective houses for original bills or resolutions, as the case may be.

## Messages.

RULE 2. Messages from the senate to the house of representatives shall be delivered by the secretary or assistant secretary, and messages from the house of representatives to the senate shall be delivered by the chief clerk or assistant clerk

who shall be announced by the doorkeeper, enter within the bar, announce or deliver his message.

**Bills.**

RULE 3. Each house shall communicate its final action on any bill, or resolution, or matter in which the other may be entrusted, in writing, signed by the secretary or clerk of the house from which such notice is sent.

RULE 4. After a bill shall have passed both houses, it shall be duly enrolled by the enrolling clerk of the house in which it originated, and shall be examined by the enrolling committee of such house, who shall carefully compare the enrollment with the engrossed bill, as passed, correcting any errors that may be discovered in the enrolled bill, procure in open session the signature thereto of the necessary officers of the two houses, present the same to the governor, and forthwith report to such house the time when such presentation to the governor was made. The enrolling clerk shall endorse upon the back of each bill the house in which said bill originated.

RULE 5. All joint resolutions to be presented to the governor, excepting such as may be addressed to him, shall take the usual course of bills.

RULE 6. Each house shall transmit to the other papers on which any bill or resolution may be founded.

**Printing.**

RULE 7. The standing committees on printing of the two houses shall be a joint standing committee, who shall examine all matters proposed to be printed by concurrent order, and shall report what part of such matter is needful to print. Each house may order the printing of bills introduced, reports of its own committees, and other matters pertaining to such house only; but no other printing shall be ordered except by a concurrent resolution passed by both houses. It shall be the duty of the secretary of the senate and the clerk of the house to compare the bills introduced in each house and such bills as are introduced in both houses and are of the same wording shall only be printed in one house.

**Resolutions.**

RULE 8. Joint resolutions and memorials addressed to congress, or either house thereof, or to the president of the United States, or the head of any of the national departments, or proposing amendments to the state constitution, shall be treated in all respects as bills.

**Vetoes.**

RULE 9. Bills which have passed a previous legislature, and which are transmitted to the legislature next sitting, accompanied by a message or statement of the governor's disapproval, or veto of the same, shall become the subject of a special order; and when the special order for their consideration is reached and called, the said message or statement shall be read, together with the bill or bills so disapproved or vetoed, and the message and bill shall be read by the clerk without interruption, consecutively, one following the other, and not upon separate occasions; and no such bill or message shall be referred to any committee, or otherwise acted upon, save as provided by law and custom; that is to say, that immediately following such reading the only question (except as hereinafter stated) which shall be put by the speaker is, "Shall the bill pass, notwithstanding the objections of the governor?" It shall not be in order, any time, to vote upon such vetoed bill without the same shall have first been read, from the first word of its title to and including the last word of its final section; and no motion shall be entertained after the chair has stated the question save a motion for the "previous question," but the merits of the bill itself may be debated.

RULE 10. That the senate bills in the house, and house bills in the senate be the special order on Wednesday of each week during the session.

RULE 11. All amendatory acts shall refer to the title of the act amended in full and date of approval. Committees shall amend or substitute all titles to conform to this rule.

#### PETITIONS, MEMORIALS AND RESOLUTIONS.

RULE 31. Petitions, memorials and other papers addressed to the house may be presented by the speaker or any member, and shall not be debated or decided on the day of their being first read unless the house shall direct otherwise, but they may be referred to the committee having the subject-matter thereof under consideration, or may lie on the table, to be taken up in the order in which they are presented.

#### BILLS, JOINT AND CONCURRENT RESOLUTIONS.

RULE 32. Any member desiring to introduce a bill shall first obtain the floor and state that he desires to introduce a bill, and if entitled to do so, the bill shall be sent to the clerk's desk to be numbered, and all bills shall be read in the order in which they are numbered by the clerk, but no bill shall be read a first time until every member present entitled to introduce a bill has had an opportunity to do so unless otherwise ordered by the house.

RULE 33. All bills introduced in this house, which are intended to amend existing statutes, shall have the words which are amendatory to such existing statute underlined or

underscored; and such matter as can not be conveniently underscored shall be marked "new matter" by printed words in the margin, so that in the printed bills which are presented for the perusal of the members, such new or amendatory matter shall be easily discerned.

RULE 34. Every bill shall be read on three several days unless the house shall deem it expedient to suspend this rule. The first reading shall be by title only, unless a majority of the members present demand a reading in full. All bills shall be printed unless otherwise ordered by the house, and be referred to committee after first reading. Bills shall pass to second reading when reported back by the committee, unless there shall be a unanimous report against a bill, in which case the vote shall be immediately called for upon the indefinite postponement of the bill.

Each amendment made by a committee to a bill shall be in writing on a separate slip of paper, and shall be securely attached to the original bill by a paper fastener. The report of the committee shall also contain a statement of all amendments agreed to by the committee. Any committee report on a bill not conforming with this rule shall be returned by the chief clerk of the house to the committee for a compliance with this rule without further order by the house. Upon second reading, bills shall be read section by section in full, and be subject to amendment. No amendment shall be considered by the house until it shall have been sent to the desk in writing and have been read by the clerk. All amendments adopted on second reading shall be securely attached to the original bill by a paper fastener.

Amendments rejected by the house shall be passed to the journal clerk, and the journal shall show the disposition of such amendments. When no further amendments shall be offered, the speaker shall declare that the bill has passed its second reading. The bill, with the amendments, if there be any attached thereto, shall be sent to the committee on engrossed bills, which committee shall see that all amendments are properly engrossed upon the original bill, and the bill returned to the chief clerk before the opening of the house on the next succeeding day, and the bill shall then come up

in the regular order for a third reading. Bills on third reading shall be read in full by sections. The only question on the third reading of a bill shall be upon its passage, and no amendment shall be entertained. No bill introduced "by request" shall be printed until after the committee to which said bill has been referred has acted and reported upon the same.

RULE 35. A bill may be advanced on the calendar by a vote of three-fifths of all members present voting in the affirmative; and the question shall be, "Shall the bill be advanced on the calendar "

RULE 36. All joint or concurrent resolutions shall be acted upon the same as bills, unless otherwise ordered by a majority of the house.

RULE 37. When a bill shall pass, it shall be certified to by the clerk, together with the vote upon final passage, noting the day of its passage at the foot thereof.

RULE 38. On the final passage of every bill the ayes and noes shall be taken and entered upon the journal.

RULE 39. No engrossed bill, memorial or joint resolution shall be sent to the senate until one day after its passage without special instructions by the house. That in the event of committees having a number of bills on the same subject, of which none can be agreed upon by the committee, and it is their wish to present a different bill upon the same subject, such bill must be reported to the house and accepted before any of the other bills can be recommended for indefinite postponement.

If two-thirds of the members present vote aye, the bill shall be sent to the senate, together with the message of the governor, for its action.
